are works alchemical His .alchemist and chemist famous a was ,1401/H.A 803 in born was who .Ḥayyān Ibn<p>” .(بن هَيَّان). available in one of the volumes of the first section of the Kitāb al-Jāmi' al-Kabīr (“The great book of alchemy”), also known as the Book of the Ocean of Alchemy. He is considered as one of the greatest alchemists of the Islamic Golden Age. </p> <p>In a section of the book he mentions that the book's author, Jabir ibn Hayyān (جَابِرُ بْنُ عَبْدِ اللَّهِ), is the author of the book (Kitāb al-Jāmi' al-Kabīr). </p> <p>“It is clear that the author of the treatise on the Ocean of Alchemy is the alchemist Jabir ibn Hayyān, and not a different person. The name Jabir ibn Hayyān is mentioned in the Kitāb al-Jāmi' al-Kabīr as well as the Latin alchymia. It is the name of the author of the same treatise in the Kitāb al-Jāmi' al-Kabīr. It is a pity that the author [of the Kitāb al-Jāmi' al-Kabīr] names in this book the alchemist as Jābir ibn Hayyān [rather than as Jabir ibn Hayyān]. The same author makes this mention when he names “the author of the treatise on the Ocean of Alchemy” as Jabir ibn Hayyān.</p> <p>If one of the authors who were supposedly there [at the time of writing] were not Jabir ibn Hayyān, we would not say that the book is written by Jabir ibn Hayyān. If he says this, then he proves that the book is not written by Jabir ibn Hayyān. 82157476af
